Job Description

Wilbert Precast, Inc. is looking for an exceptional person with a Class A CDL and customer service skills to join our Lewiston team. This position reports to the Plant Manager and works with both the production and delivery teams. The right candidate is a self-motivated, independent worker who also excels in a team environment with an emphasis on quality of work.

Responsibilities:

- Load and deliver product with the proper use of rigging
- Deliver burial vaults and set up for graveside services
- Use a backhoe to perform open & close services at cemeteries
- Strict adherence to safety rules and restrictions
- Maintain a high standard of housekeeping
- Assist with set up and stripping of concrete forms

Skills Needed:

- Ability to read a tape measure to 1/16"
- Ability to read and interpret drawings
- Basic understanding of Personal Protective Equipment (PPE)
- Ability to use heavy equipment (e.g. overhead cranes)
- Ability to operate a forklift
- Ability to operate a backhoe
- Proven maintenance skills

Qualifications:

- Class A CDL Driver's License
- Work Experience: 0-2 years
- Team player
- Ability to handle physical workload
- Strong work ethic
