Job Description

Wilbert Precast, Inc. is looking for an exceptional person with a Class A CDL and customer service skills to join our Yakima team. This position reports to the Plant Manager and works with both the production and delivery teams. The right candidate is a self-motivated, independent worker who also excels in a team environment with an emphasis on quality of work.

Responsibilities:

- Load and deliver product with the proper use of rigging
- Deliver burial vaults and set up for graveside services
- Strict adherence to safety rules and restrictions
- Maintain a high standard of housekeeping
- Assist with set up and stripping of concrete forms

Skills Needed:

- Ability to read a tape measure to 1/16"
- Basic understanding of Personal Protective Equipment (PPE)
- Ability to use heavy equipment (e.g. overhead cranes)
- Ability to operate a forklift
- Ability to operate a backhoe
- Proven maintenance skills

Qualifications:

- Class A CDL Driver's License
- Crane Certification
- Work Experience: 0-2 years
- Team player
- Ability to handle physical workload
- Strong work ethic

About Wilbert Precast, Inc.

Wilbert Precast provides a wide variety of precast concrete products to the Northwest through our premier manufacturing facilities in Spokane, Yakima, and Lewiston. Wilbert Precast is certified by PCI and NPCA. As a leader in new technologies, we have the ability to meet our customer's project demands and serve our customers one quality product at a time. As a company, we believe that if we unify our strengths and weaknesses, intentionally challenge what's normal in our efforts to grow, and confront every roadblock together as a team we will create the best solution for every customer using quality materials backed by quality people.
