

CONCRETE PRECASTER - CUSTOMS TEAM

SPOKANE

Employment Type

Full-Time

Benefits Offered

Medical, Dental, Vision, 401K, Life Insurance, Paid Time Off (PTO), 6 Paid Holidays, Competitive Pay

Job Description

Work with an elite team of carpenters in the customs department manufacturing precast concrete products. Daily tasks would include building custom made forms, pouring concrete, and finishing concrete. The right candidates are self-motivated craftsmen who enjoy the challenge of building specialty forms and excel in a team environment.

Responsibilities:

- Read and understand the Production Schedule
- Adhere to production time frames
- Read and understand blueprints
- Assist with building and stripping custom concrete forms
- Strict adherence to safety rules and restrictions
- Maintain a high standard of housekeeping

Skills Needed:

- Ability to read a tape measure to 1/16"
- Carpentry skills
- Ability to use concrete finishing tools
- Proficiency in hand and power tools
- Understanding of Personal Protective Equipment (PPE)
- Ability to use heavy equipment (e.g., overhead cranes)
- Pouring Duties
- Safety mindset

Qualifications:

- Work Experience: 2-4 years
- Team player

Ability to handle physical workload

- Lift up to 60lbs
- Extended duration on foot (up to 8 hours)
- Stand, walk, crouch, kneel, stretch, and climb for extended periods of time.
- Repetitive use of hand tools and power tools
