Job Description

Wilbert Precast, Inc. is looking for professional Forklift Operators with exceptional customer service skills for our Spokane location. This position directly reports to the Forklift Supervisor/Yard Foremen and works with both the production and delivery teams. The right candidate is a self-motivated, independent worker who also excels in a team environment with an emphasis on quality of work.

Responsibilities

- Safely operate a variety of forklifts
- Load and unload cargo
- Properly track and document activity logs and invoices
- Inspect forklift and rigging to OSHA/L&I standards
- Maintain an assigned area

Qualifications

- Experienced in forklift operations or other related fields
- Precast concrete experience
- Rigging experience is helpful but not required
- Must be able to pick up and carry up to 75lbs periodically
- Able to work outside for the entire shift
- Strong work ethic
- Must be flexible with scheduling
- Must have reliable way to get to work
- Good organizational skills
- Able to pass a drug test

About Wilbert Precast, Inc.

Wilbert Precast provides a wide variety of precast concrete products to the Northwest through our premier manufacturing facilities in Spokane, Yakima and Lewiston. Wilbert Precast, Inc. is certified by PCI and NPCA. As a leader in innovative technologies, we can meet our customer's project demands and serve them one quality product at a time. As a company, we believe that if we unify our strengths and weaknesses, intentionally challenge what's normal in our efforts to grow and confront every roadblock together as a team; we will create the best solution for every customer using quality materials backed by quality people.
