Job Description

Wilbert Precast, Inc. is looking for professional Forklift Operators with exceptional customer service skills for our Yakima location. This position directly reports to the Forklift Supervisor and works with both the production and delivery teams. The right candidate is a self-motivated, independent worker who also excels in a team environment with an emphasis on quality of work.

Responsibilities

- Safely operate a variety of forklifts
- Load and unload cargo
- Properly track and document activity logs and invoices
- Inspect forklift and rigging to OSHA/L&I standards
- Maintain an assigned area

Qualifications

- Forklift Certified
- Experienced in forklift operations or other related fields
- Precast concrete experience is helpful but not required
- Rigging experience is helpful but not required
- Must be able to pick up and carry up to 75lbs periodically
- Able to work outside for the entire shift
- Strong work ethic
- Must be flexible with scheduling
- Must have reliable way to get to work
- Good organizational skills
- Able to pass a drug test
